On behalf of Magna Publications, I cordially invite you to join us in Baltimore, MD for the Teaching with Technology Conference, October 6-8, 2017. The host hotel for the conference is the Baltimore Marriott Waterfront, 700 Aliceanna Street, Baltimore, MD 21202 in the United States of America.

The Teaching with Technology Conference tackles one of the most influential developments in higher education today: the impact of instructional technologies on coursework, on students, and on our approach to teaching. By attending this conference, you will learn pedagogically effective ways to harness new technologies and incorporate them in your teaching.

When you register for the conference, you gain access to plenary sessions, concurrent sessions, poster presentations, and exhibits. Your registration also includes an opening night reception with hors d'oeuvres, continental breakfast on Saturday and Sunday, lunch on Saturday and Sunday, as well as complimentary high-speed Internet in your guest room at the Baltimore Marriott Waterfront. Please note: spouses are not allowed to attend conference sessions or meals unless they are also registered. No guest passes are available.

We hope to see you in Baltimore, October 6-8, 2017, for the Teaching with Technology Conference!

Sincerely,

David Burns
