How Can I Introduce Creativity to My Classes to Build Connection with Students?

There is no single best methodology for learning. Teachers who use multiple approaches to connect their material with students' needs can help them really connect.

This 20-Minute Mentor provides strategies for using creative approaches to create connection with your students so they can benefit from an engaging and meaningful learning experience. You'll focus on constructing more impactful and creative lesson plans as well as diversified teaching methods to connect with students.

Upon completion of this program, you'll be able to:

- Develop an understanding of how to foster creativity and connection in the classroom
- Identify strategies for implementing creative teaching methods
- Explore how to create meaningful learning experiences for students
