

How Can I Prevent Plagiarism in the Artificial Intelligence Era?

Presented by:
Martine Peters

Professor, Université du Québec en Outaouais

Martine Peters is a full professor at the Université du Québec en Outaouais in the Department of Educational Sciences. Her research interests include academic integrity, plagiarism prevention, and digital scrapbooking strategies used in academic writing at all levels of education. She is the director of the University Partnership on Plagiarism Prevention (UPPP), a SSHRC-funded project.
